SIR,

With reference to your letter n^o 4683/Ed 186-072
of 30-11-1909 calling for a report regarding the
discrepancy, in the date of birth of K N Narayana
assistant master, Anglo Vernacular School, Huliyar
I have the honour to submit the master's explana-
tion. He represents that at the time he applied
for a post in the Educational Department, the
Deputy Inspector called for his nominal roll
in which he entered, as his date of birth
'Chitra bhama Nya Shravana Bahula Thadige
Corresponding to 31 8 1882, without referring to his
horoscope. At the time he wrote up his Service
Register he entered as his date of birth 'Swathi
Mangashira Bahula Ekadasi Corresponding to

25 12-83, as may be seen from his Service Register
herewith submitted. It is probable that the then
Deputy Inspector did not allow the master to alter
the date given in the nominal roll since the
date given in the latter was exact to the very day
and the Deputy Inspector altered the date in
the Service Register from 25 12 83 to 31-8 1882
under his initials. Under these circumstances
it is recommended that the date of birth of the
master may be accepted as 25-12 1883.
